A PLATFORM FOR PUBLIC ADVOCACY IN NEW YORK CITY

Casting a New Ballot

Learn about the new voting machines New York City will be using in the September 14 primary election.

New York City will be using the DS200 Ballot Scanner to count votes beginning with the September 14 primary election. Join Common Cause/New York and Westiders for Public Participation at a community forum for a demonstration by the NYC Board of Elections of how these new voting machines will work.
